This is only an **ESTIMATE** of what the cost of your OB care will be with our office, and is considered for a "routine" pregnancy. All office visits (usually 10-14 visits), urinalysis, hemoglobins and one post-partum visit at 6-8 weeks after your delivery is included in the Global OB Care charge.

The above charges are our general tests done throughout the pregnancy for a single gestational pregnancy (multiple gestational pregnancies will require additional tests and ultrasounds). **There may be additional lab work, ultrasounds or nonstress tests during the pregnancy which would be in addition to the charges above.** Amniocentesis and hospitalization during the antepartum care of the pregnancy are also additional.

- You will have four bills from your pregnancy:
1. Associates in Womens Health, L.L.C.
  2. Hospital bill (Methodist Women's Hospital or CHI Health-Lakeside)
  3. Anesthesiologist
  4. Pediatrician

If you have any questions throughout your pregnancy regarding any billing issues you may call our billing department at (402) 614-8181. Thank you.
