11/13/2020 - Due to the rising number of COVID cases, please take a moment to read our current procedures during COVID that goes into effect immediately. Please remember that due to this pandemic and the rising number of cases, **CHILDREN are not allowed** in our office at this time and **MASKS ARE REQUIRED**.

Our top priority at Associates in Womens Health is to keep our patients, staff, and community safe. We continue to actively plan, prepare, and take action to prevent the spread of illness.

ALL individuals that enter our office are **REQUIRED** to wear a mask or other face covering (scarf, bandana, etc.) during the entire time they are in our office. If you are not wearing a face covering, you will be asked to reschedule. **Due to supply shortages, we do not have masks available for patients.**

Please make sure no one in your family is experiencing any type of illness (example: fever, cough, sore throat, etc.). If you or your family show any symptoms of illness or have tested positive for COVID-19, please call us at (402) 697-7200 to reschedule.

Please check in via Phreesia text/email prior to your visit, this includes our COVID-19 screening form, this will need to be completed before the front desk can check you in. When you arrive, please proceed directly to our waiting room, no need to text or call unless you have COVID-19 symptoms.

These are the only appointments that one guest is allowed:

- One guest for 1st OB visit (not for regular OB visits)
- One guest for 20 week OB ultrasound appointment
- **Children are NOT allowed** in our office as guests for any type of visit
- One parent allowed with a minor child
- Translator allowed for visit
- Only patients and one guest allowed for the above appointments are allowed in our waiting room/office

These policies are subject to change at any time. Thank you for your cooperation.
