Dear PATIENT,

This folder contains details regarding our office policy for potential infertility services. It is our policy to present each patient with this information as soon as we identify that infertility services may be necessary, even if you have not received an official infertility diagnosis.

Enclosed you will find an Infertility Services Agreement that must be completed and returned to our office to enroll in our Infertility Services Program. If you have any questions please call the billing department at (402) 614-8181.

Once the signed agreement has been returned to our office and prepayment has been collected, you will be able to schedule infertility appointments by calling the office at (402) 697-7200 and selecting option 5 to leave a message for a nurse to call you back to schedule an appointment.

Sincerely,

Aprile Snyder
Business Supervisor
