

Associates of Womens Health is asking all patients and visitors to self-screen prior to entering our clinic due to the coronavirus disease (COVID-19) outbreak.

Please review the below screening questions

1. Have you come into close contact (within 6 feet) with someone who has a laboratory confirmed COVID – 19 diagnosis in the past 14 days?
 2. Do you have a:
 - fever (greater than 100.4 F or 38.0 C)?
 - symptoms of lower respiratory illness such as a cough?
 - shortness of breath?
 - difficulty breathing?
-

If you answered 'Yes' to any of the above questions and immediate attention is required
Please notify AWH staff by calling (402) 697-7200. Do NOT enter our office please.

*If you answered 'Yes' to any of the above questions and **do not** require immediate attention*

We encourage you to reschedule routine appointments to a later date and:

***Contact CHI Health Hotline at 402-717-2001 or
Methodist Health System Hotline 402-815-7425***
